Marc Hedman, Minnesotahelp Report Card Analyst

Description

This video conference is an overview for a variety of stakeholders who are interested in the Home and community Based Services Report Card Project. The videoconference will focus on the history of the HCBS Report Card; provide an overview, purpose, and concrete goals of the project. The conference will also include a clear description of the project, provide a timeline, address some important issues, and provide information as to how to receive weekly email updates as this project continues.

Target Audience

This video conference is geared towards a wide variety of stakeholders, including providers, advocates, nonprofits, consumers, self-advocates, caregivers, direct service professionals, and administrators. Community professionals of all levels of care may be interested as well.

Learning Objectives

- Goal 1** Understand the history behind the HCBS Report Card, including the legislative language and authority for the Minnesota Board on Aging to implement the Report Card.
- Goal 2** Understand the timeline and the phases for the project.
- Goal 3** Understand where to go for more information and regular project updates.
- Goal 4** Understand the purpose of the Report Card, and its scope in the HCBS world
