

SSIS Background

How did we get here?

What is the Social Services Information System (SSIS)?

- ▶ Minnesota's child welfare case management system
- ▶ Minnesota's computer system for gathering and reporting child welfare data
- ▶ Minnesota's adult protective services (aps) case management system
- ▶ Minnesota's computer system for gathering and reporting adult protection data
- ▶ Used by over 6,000 county, tribal and state agency employees to track social services provided to children and adults
- ▶ Tracks social services provided to over 260,000 Minnesotans each year
- ▶ Minnesota's Statewide Automated Child Welfare Information System (SACWIS)
