Subject: SSIS Fiscal Q&A Session for the Child Foster Care Report - July 2015

SSIS is offering another iLinc session in July to give agency staff the opportunity to ask questions regarding the Child Foster Care Report, which includes IV-E and Northstar claims. Although this session has a fiscal focus, all staff are welcome to participate.

This session is an open forum for agencies to bring questions regarding claims and proofing related to the Child Foster Care Report. The Q2 2015 CFC Report is due July 20, 2015. The session does not have a structured presentation or handouts. SSIS staff will be available to answer questions during this sessions.

Session Information:

- Thursday, July 9, 2015 from 1:30PM – 3:00PM

Audio: This Q&A iLinc session will use a teleconference line to ask and answer questions. There are only 150 lines available. If multiple people are attending from your agency, please join together in one room for this session. *If more than 150 callers attempt to join the teleconference, the call will drop automatically.*
