

Deaf and Hard of Hearing Services

# Metro Area Legal Directory

*Lawyers Serving Deaf and Hard of Hearing People*

*Compiled by Deaf and Hard of Hearing Services Metro*

Minnesota Department of **Human Services**

## **Disclaimer**

This booklet is designed to help you find an attorney who MAY be able to assist you. It is a list of attorneys who have expressed an interest in representing deaf and hard of hearing people. It is not a comprehensive listing of all attorneys serving deaf and hard of hearing people.

By including an attorney on the list, Deaf and Hard of Hearing Services is not recommending the attorney, it is not saying that an attorney will accept your case, and it is not making assurance about the quality of service that you will receive from any specific attorney. YOU must decide whether you feel a specific attorney is qualified to represent you and your case.

## **How to use this directory:**

1. Locate the area of concentration needed on the grid and scroll down to the checkmark listed.
2. Move to the left end of the grid and find attorney's name.
3. Using last name, locate the remaining information of the attorney in the listings on the numbered pages.

Remember, many of these attorneys have little experience using relay services. Every law firm is unique. Each law firm serves different needs at different costs. Verify fees in writing to ensure that you completely understand the expectations and requirements of the firm.
