

## Residential Services for Children with Severe Emotional Disturbance Inspected by the Minnesota Department of Human Services and Certified by the Minnesota Department of Corrections

Children may receive mental health treatment in residential settings in other states. State law provides, for a portion of the costs for residential services furnished to children with severe emotional disturbance in facilities located in states that border Minnesota, to be covered in certain circumstances. The placement must be made by the county, the facility must be located nearest to the child's home and appropriate to the child's level of care, and the facility must be located in Wisconsin, Iowa, North Dakota, or South Dakota. The facility must be inspected by the Licensing Division of the Department of Human Services and be certified to substantially meet the standards applicable to children's residential mental health treatment programs (under [Minnesota Rules, chapter 2960](#)) by the Department of Corrections, in accordance with [Minnesota Statutes, section 260B.198, subd. 11 \(a\)](#). The following is a list of children's residential facilities that have been inspected by the Department of Human Services and certified by the Department of Corrections.
