DATE: November 23, 2015

TO: **ADULT DAY SERVICES PROGRAMS (DHS RULE 223)**

RE: License updates and renewal information for licenses effective January 1, 2016

A. NEW AND UPDATED INFORMATION

- 1. 2015 Legislation affecting adult day service centers.** The 2015 Minnesota Legislature passed amendments affecting Department of Human Services (DHS) license holders. The updated 2015 statutes are now available online through the [Office of the Revisor of Statutes](#) website. The 2015 session did not result in significant legislative changes that affect adult day services. An amendment to the definition of “access to persons served by a program” in the background study law is an area that applies to all DHS licensed providers, including adult day services:

Under [Minnesota Statutes, section 245C.02, subdivision 2](#), access to persons served by a program means physical access to persons receiving services, access to the persons’ personal property, or access to the persons’ personal, financial, or health information, without continuous, direct supervision, as defined in [subdivision 8](#).

- 2. Minnesota Adult Abuse Reporting Center.** Minnesota has a new centralized system for reporting suspected maltreatment of vulnerable adults. On July 1, 2015, the [Minnesota Adult Abuse Reporting Center](#) (MAARC) was established. MAARC provides a web-based reporting system and a call center available 24 hours a day, seven days a week for mandated reporters. Mandated reporters are professionals or professional’s delegate identified by law ([Minnesota Statutes, section 626.5572, subdivision 16](#)) who **MUST** make a report if they have reason to believe that the abuse, neglect or financial exploitation of a vulnerable adult has occurred. Mandated reporters can use the Minnesota Adult Abuse Reporting Center’s web based report at mn.gov/dhs/reportadultabuse, or make a phone report by calling the statewide toll-free number at 844-880-1574.
- 3. Positive Supports Rule.** The Positive Supports Rule (PSR) is a new Minnesota rule that requires DHS license holders to use person-centered principles and positive support strategies for persons with developmental disabilities or related conditions. The rule applies to all DHS licensed programs who serve a person with a developmental disability or related condition. Information about the positive supports rule is currently available on the [DHS website](#).

The Department is working to develop a frequently asked question (FAQ) document to provide more direction and address specific questions submitted by license holders. This information will be posted to the DHS website and emailed to your designated Authorized Agent. In addition, questions about the Positive Supports Rule can be emailed to the DHS-Disability Services Division at positivesupports@state.mn.us.

- 4. NETStudy 2.0, the new background study system.** The Background Study Division continues to move forward with development and implementation of NETStudy 2.0. This is the new portal to submit background study requests to DHS that includes use of the background study subject's fingerprints for the criminal record search and use a photograph for identity verification. Currently, there are over [50 DHS authorized fingerprint and photo service locations](#) operating across the state. After the background study subject is fingerprinted and photographed, background study determinations in NETStudy 2.0 are expected to be completed within a few hours for over 90% of requests, some determinations will be provided within an hour or two. When the law requires additional information or review, the background study may take more time. In these cases, the program is informed of the subject's background study status and whether the person must be supervised. In the new system, providers receive status updates and background study determinations electronically eliminating the need to maintain paper files for licensing reviews.

DHS began pilot testing NETStudy 2.0 in June of 2014 and a small group of providers, representing multiple license types, have fully transitioned to the new system. The Background Study Division is continuing to work on additional system functionality and will extend pilot testing with counties and other providers over the coming months. Implementation to larger groups of providers will be based on the completion of system refinements and the results of testing. In all cases, entities will be contacted at least four weeks in advance of being transitioned to the new system. During this time, provider user accounts will be established through "on boarding" and training will be available. More information is available on the [Background Study web page](#) under the [NETStudy 2.0 / Background Study Changes](#) feature. [FAQs](#) are also posted as is a link to [subscribe to an email list](#) for updates about NETStudy 2.0.

B. RENEWING YOUR LICENSE FOR 2016

- 1. License fee payment for your 2016 license.** All license holders must pay for their 2016 license online. Your Authorized Agent will receive an email with instructions and a direct link to pay for your 2016 license fee(s). License fee payments must be made within 30 days from receipt of the email to allow enough time for your 2016 license(s) to be issued by January 1, 2016.

- 2. Failure to pay 2016 license fee.** Your current license expires December 31, 2015. If you fail to pay the 2016 license fee, you will need to apply for a new license. You cannot operate under an expired license while your new application is being processed. In addition, you will lose access to NETStudy to submit online background study requests.
- 3. Unpaid fines.** If you have an outstanding debt related to a fine or settlement agreement for which payment is delinquent, your 2016 license cannot be issued until payment is received.
- 4. Programs closing on or before December 31, 2015.** If you plan on closing your program on or before December 31, 2015, please notify your licensor immediately so we can cancel the bill for your 2016 license.
- 5. Your onsite licensing review.** The annual renewal of your license is separate from the onsite licensing review conducted by your DHS licensor. You will receive notice from your licensor about the license review prior to your next scheduled review.
- 6. Change of license information.** If you wish to change any information on your license, please contact your licensor immediately so those changes can be approved before we issue your 2016 license. If you hold multiple licenses and want the change to apply to each license you must complete a separate Change of License Information form for each license. If you have not identified an Authorized Agent or your Authorized Agent information is not current, it will delay the email to your Authorized Agent and the renewal of your 2016 license.
- 7. Questions regarding the license renewal process.** If you have any questions regarding the license renewal process, please contact the DHS licensor assigned to your program, or call the main Licensing Division phone number at 651-431-6500 and ask to speak to the adult day center licensor on call.
