**TERMINOLOGY NOTICE**

The terminology used to describe people we serve has changed over time. The Minnesota Department of Human Services (DHS) supports the use of "People First" language.

The Department of Human Services Minnesota Sex Offender Program (MSOP) calculates a per diem charge for cost of care for each fiscal year (July 1 through June 30). This rate is the sum of all projected costs divided by the projected client days. This rate is an average of all services provided to clients by MSOP.

Effective July 1, 2014 the charge for the Minnesota Sex Offender Program shall be \$341 per day.

The cost of care rate applies to any person admitted to MSOP, including hold orders and emergency admissions under Minnesota Statutes, section 253B.05., subdivisions. 1 and 2 and Minnesota Statutes, section 253B.045.
